Fenticonazole: world first launch of Recordati's antifungal in Italy

- Antifungal activity of Fenticonazole in experimental dermatomycosis and candidiasis. Veronese M, et al. *Arzneimittel-Forschung* 31: 2137, 1981
- Toxicological and pharmacological properties of fenticonazole, a new topical antimycotic. Graziani G, et al. *Arzneimittel-Forschung* 31: 2145, 1981
- Mutagenicity studies on fenticonazole, a new antifungal imidazole derivative. Veronese M, et al. *Arzneimittel-Forschung* 31: 2142, 1981
- The salmonella mutagenicity assay on fenticonazole, a new antifungal imidazole derivative. Veronese M, et al. *Arzneimittel-Forschung* 31: 2140, 1981
- Irritation and toxicity studies with fenticonazole applied topically to the skin and mucous membranes. Graziani G, Cazzulani P. *Arzneimittel-Forschung* 31: 2152, 1981
- "In vitro" antimycotic activity of fenticonazole. Costa AL. *Mykosen* 25: 47, 1982
- USAN Council - List No 224 - New names. *Anon. Clinical Pharmacology and Therapeutics* 31: 675, 1982
- Fenticonazole nitrate. *Anon. Drugs of the Future* 8: 767, 1983
- Fenticonazole: a new antifungal imidazole derivative; in vitro and in vivo antimycotic activity. Veronese M, et al. *Mykosen* 27: 194, 1984
- Study of the morphofunctional alterations produced by fenticonazole on strains of candida albicans, using the scanning electron microscope (S.E.M.). Costa AL, et al. *Mykosen* 27: 29, 1984
- Fenticonazole (2% cream) in the treatment of skin diseases due to dermatophytes. Stetter H. *Acta Therapeutica* 10: 241, 1984
- Treatment of Vaginal Candidiasis with Fenticonazole and Miconazole. Gastaldi A. *Current Therapeutic Research* 38: 489, 1985
- Fenticonazole: a clinical trial. Persi A, Rebora A. *Mykosen* 28: 206, 1985
- Effect of fenticonazole in vaginal candidiasis: a double-blind clinical trial versus clotrimazole. Brewster E, et al. *Journal of International Medical Research* 14: 306, 1986
- Clinical evaluation of fenticonazole cream in cutaneous fungal infections: a comparison with miconazole cream. Athow-Frost TAM, et al. *Current Medical Research Opinion* 10: 107, 1986
- A double-blind evaluation of fenticonazole cream 2% and clotrimazole cream 1% in dermatomycoses. Finzi A, et al. *Mykosen* 29: 41, 1986
- Treatment of dermatomycoses with topical fenticonazole and econazole. Kokoschka EM, et al. *Mykosen* 29: 45, 1986
