

Tetryzoline

★ S

Amnesia (first report) and consciousness disorders: 5 case reports

Spiller HA, et al. Drug facilitated sexual assault using an over-the-counter ocular solution containing tetrahydrozoline (Visine Rm). *Legal Medicine* 9: 192-195, No. 4, Jul 2007 - USA 801077676

» **Editorial comment:** This report did not contain sufficient CIOMS data for a Reactions summary.

A search of AdisBase, Medline and the WHO Adverse Drug Reactions database did not reveal any previous case reports of amnesia associated with tetryzoline.
